Upcoming MHA Project

Before the announcement, I just wanna say that my 18th birthday was a few days ago (Dec 10, to be specific).

Anyways, onto the announcement.

So… Chapter 431 got leaked….

HAHAHAHAHAHAHAHAHAHAHAHAHA!

(Audio cuts off; when it comes back, a green Boombox is facing the camera)

Boombox: Sorry for the interruption. Lie Detector wouldn’t stop laughing.

(Laughter continues echoing over Boombox)

Boombox: Anyways, we’re here to announce a new project-

Toaster: (Overexcited, interrupting) AN MHA REWRITE!

Boombox: (Angry) Toaster, we agreed to say it at the same time!

Toaster: (Meekly) Sorry, I got over excited.

Boombox: (Still kinda miffed) But yeah, we’re working on an awesomely epic rewrite of My Hero Academia!

Toaster: And that’s not all! We’re also gonna expand the series, with original characters & arcs!

Boombox: Will they be heroes, or villains? Pro Heroes, or Students? Yes! Yes they will!

Toaster: And that’s not all! We’ve even got a teaser! See, during writing, we came up with an idea! Instead of 20 students, Class 1A (and by extension, 1B and the other classes), will have 30 students instead!

Boombox: And for the extra students, some of them will get their own storylines and arcs. Without spoiling too much, here's an image for clues. Can you guess them?

Toaster: We'll leave that for you to guess what each of these mean.

(Lie Detector walks in)

Lie Detector: (stifling a laugh) Sorry, I took so long. I couldn't stop laughing at all the BKDK cope.

Boombox: You're extremely late, we've already revealed the announcement.

Lie Detector: WHAT? You have! But that's my job!

Toaster: If it makes you feel any better, we haven't revealed the name yet.

Lie Detector: Then I'll do it myself. This fic is will either be called 'My Hero Academia - The Expansion Cut' or 'My Hero Academia - The Detector Cut' and will be coming to;

- Fanfiction.net
- AO3

- Wattpad
- DeviantArt
- Webnovel
- Quotev
- ScribbleHub

Boombox: Ignoring the bad names, we don’t have a release date yet right now, but at our current pace, the first few chapters should be out by either mid-late January-February 2025.

Toaster: Though, this isn’t confirmed, and it might come earlier or later than that.

Lie Detector: But yeah, a new upcoming MHA rewrite will be coming soon! See ya in the next announcement!
